What kind of assistance can I receive?

Eligible low-income or disabled consumers can receive up to \$12.75 in reductions on their telephone bill in the form of a credit against their monthly recurring dial tone charges billed by Kingdom Telephone. This reduction may vary depending on each consumer's eligibility and applies only to a single telephone line at the qualifying consumer's principal place of residence.

How do I qualify?

To qualify for Low-Income Lifeline in Missouri, a consumer or dependent must either have an income that is at or below 135% of the federal Poverty Guidelines or participate in one of the following programs: Medicaid; Food Stamps; Supplemental Security Income; Federal Public Housing Assistance; Low-Income Home Energy Assistance; National School Free Lunch Program; or Temporary Assistance for Needy Families.

To qualify for Disabled Lifeline in Missouri, a consumer or dependent must participate in one of the following programs: Federal Social Security Disability Benefits; Federal Supplemental Security Income Benefits; Veterans' Administration Benefits; State Blind Pension (pursuant to Section 209.020 to 209.610 RSMo); State Aid to the Blind (pursuant to Section 209.240 RSMo); or State Supplemental Payments (pursuant to Section 208.030 RSMo, Section 660.100.2 RSMo 2000).

What services qualify for assistance?

Qualifying consumers will receive this assistance on the following services: voice grade access to the public switched network; single-party service; access to emergency services; access to operator services; access to inter-exchange service; access to directory assistance; bundled service plans combining voice and broadband or packages including optional calling features; and voluntary total toll blocking, which prevents the placement of any long-distance calls.

Carriers, like Kingdom, providing Lifeline may not collect a service deposit in order to initiate Lifeline services if the qualifying low-income or disabled consumer voluntarily elects toll blocking.

What else do I need to know?

The FCC will also require that all current Lifeline recipients be "re-certified" annually. Consumers who willfully make false statements in order to obtain program benefits can be punished with a fine or imprisonment or barred from the program.
